EXPERIENCE

Sona College of Arts and Science, Salem

JUN 2023 - AUG 2023

Conducted data entry tasks during my internship, ensuring accuracy and efficiency in data management. Assisted in various projects by collecting, organizing, inputting data into relevant systems. Worked collaboratively with team members to meet project deadlines.

Logan Soft Tech, Salem

MAR 2023 - APR 2023

During my internship, I created interactive and highly informative Power BI reports using DAX features. Used Power BI to collaborate with different users and stakeholders to work on live data sources..
